

# FLECKENENTFERNER

Removes annoying stains

**A universal stain remover which helps you eliminate stains caused by grease, dirt, make-up, food, drinks and much more.**

RyClean cleaning products offer you an authentic, natural way to clean. The RyClean series has been specially developed taking nature and the environment into account:

**Natural ingredients:** The cleaning products meet the same requirements as those typically used for natural cosmetics.

**100% biodegradable.**

**Dermatologically tested** on skin.

High performance cleaning used plant-based tensides.

**Complete disclosure** of all ingredients.

**Free from allergens.**

Effective in small concentrations.

RyClean cleaning products bring together powerful cleaning and the lowest possible impact on skin and the environment.

## Application

Apply a small amount of the stain remover to the surface to be cleaned and allow it to take effect. Gently rub and dab away with a damp cloth or rinse away with warm water.

## Dosage

Please use sparingly, the amount required is very small.
